

# RESURRECTION VICTORY

## Telling His Story

April 2011

What joy Mary Magdalene had as she ran to tell the disciples, "*I have seen the Lord!*" We have this privilege every day: to witness of the gift of salvation through the price Jesus paid on the cross -- my favorite message to deliver.

*Blessings to you, my dear friend,* as you celebrate all He is and has done for you! Hallelujah to the Lamb of God who now reigns victoriously! Thank you for praying and helping me to share the Gospel all over the world. On the back side you can see His amazing faithfulness as I've partnered with you and Him these last couple of months.

I love to celebrate *Passover*, when the Angel of Death passed over the Jews who had sprinkled the blood on the doorposts of their homes as they made the exodus from Egypt. This true story in Exodus 12 is a foreshadowing of what Jesus has done for us, and perfectly points to the Messiah. Many Jews still don't know Yeshua (Jesus' name in Hebrew), but as Paul teaches in Romans 11, God has not forgotten His people, but has a glorious plan for Israel!

### *Israel Mission*

Our media has lots to say about *Israel* these days, which is to be expected, in light of scripture. As I've prayed, the Lord has opened a unique door to minister in Israel in June! I've been invited to go on a *mission to Israel, June 9-17* with 12 Ivy League college students, and Judy & Jerry Ball, who head up a ministry focused on Israel. They have invited me to teach "*Bible Storying*" along with prayer at each location we visit. What an answer to prayer since I will be able to connect with our staff in Haifa to equip them also.

I am full of expectancy for what the Lord will do and is doing in this generation. My passion has always been in *mobilizing the next generation*.

So before going to Israel in June, I will fly to Colorado for an event on April 17<sup>th</sup>, "The Calling" held at Red Rocks amphitheatre. Chrysandra, a precious young woman of God, has invited me to be a part of the vision God gave her, to "call her generation" to fulfill their purpose. I'm so thrilled to dream with Chrysandra and God!

All of the victories *Jesus* accomplishes involve believing Him together. Look at page 2 and see what He has done...
