

Mali Miracles

Beloved Friends,

April-May 2012

My heart has been touched by my beloved Jesus (Yeshua)! Celebrating my 40th year of intimate partnership with Him, we went to Mali to minister. Through your prayers, you were part of His fruitful harvest!

Story Wave Training was launched in Mali. I had the joy of training young leaders, a church-planting pastor and our CCC staff. Sharing His stories in the community and the village as part of the training confirmed the power of His Word. Jesus is captivating to all people no matter what their background!

Telling Bible stories in the neighborhood (at left)—seven young people prayed to know Jesus!

I met two precious brothers from Cameroon, Ali and Guy. They loved stories about Jesus, and after hearing students share their stories and the gospel, both received Jesus!

Strategy in Villages

We are working with Pastor Bumba to use Bible storying to plant churches in villages.

Sharing stories with women about Jesus and his love for them.

My dear friend Joanne began a charity called “Dressed in Hope” (www.dressedinhope.org). As she mobilizes women to sew for orphans, I have the joy of giving those dresses to needy children around the world. So, while in Mali, precious AIDS orphans each received a dress and a doll! I also told them stories about Jesus.

"I will proclaim the name of the Lord; how glorious is our God! His is the Rock. His deeds are perfect. Everything He does is just and fair. He is a faithful God who does no wrong; How just and upright He is!"
Deut. 32:3-4

Speaking at the University

Students planned a conference where I spoke on "Dealing With Stress." Many came and heard the hope that Jesus offers in the midst of a world in chaos. I ended in prayer, and Muslim students stayed, asking very good questions.

Surprised by a Coup!

I experienced a new adventure the last week of my mission. The Lord had done so many miracles, when suddenly . . . a COUP! I knew it was a spiritual battle that He would fight for us as we believed and exercised our faith.

"He found His people in the desert country, in a howling wasted wilderness. He protected them and cared for them, guarded them like the pupil of His eye."

Deut 32:10

In the midst of this uprising, He was so awesome, speaking to me and praying with me and the team. I had to stay secluded in the staff compound, but I found the roof to be an amazing place for prayer. Every evening, I shared stories with the neighborhood women. I love these precious women and their children! Please pray for Mama, Kadidia, Maimouna, Kalif and others (He knows them by name).

The Lord worked through our Crisis Team to get me home on one of the only possible flights, after the airport was shut down. Please continue to pray for Mali, our staff and believers and all those who heard the gospel, to stand firm in their faith as beacons, shining His light in a dark place! Pray for Mali miracles to continue.

What an experience Jesus gave me on my 40th Honeymoon! He used this to increase my passion to preach His Word where it has not been heard. As His Bride, He prepared me in Mali to love Him more!

"Who is this sweeping in from the desert, leaning on her lover?"
Song of Songs 8:5

Thank you with all my heart for praying and believing with me! May He bless you and I with a fresh fire for His glory as we tell His Story.

Gratefully, with all my love and His,

Nancy, His Beloved Bride and Ambassador
