

Sacred Seclusion

Shut away unto my Master,
Equipping me to run faster!

For I in stillness wait,
It is He that I anticipate;

Submitting to His Holy will,
Being molded as I remain still;

Precious time to seek His heart,
There is no plan the enemy can thwart!

I am my Beloved's and He is mine,
Learning in disappointment to shine.

For His appointment remains,
As, His Ambassador, He trains;

Strengthening my hands for battle,
Victories My King will settle;

He enables me to stand on new heights,
Raising my spiritual sights!

Strong and courageous in Him,
Leading me to victory!

Stooping down to make me great,
While I, in obedience, wait.

Oh, what mighty works ahead,
By His Holy Spirit, I am led;

Marching on with My King,
Believing Him for everything!

Hallelujah to my Love!

Your eager, expectant Bride,

Nancy
