

2010—When, Lord Jesus?

“Here am I to send . . . until then . . . rescuing men . . .”

“ . . . You were slain, and with Your blood purchased men for God from every tribe, and language and people and nation . . .” Rev. 5:9-10

Blessed New Year to you, my friend!

This was the Word given to me New Year’s morning as I prayed for a “watchword” for the year! I have a holy expectancy about His soon return . . . until then, worshipping, waiting, watching, witnessing and willingly offering all I can to my Coming King! May you also experience fresh vision as we believe God together!

MALI, AFRICA

Wonderful opportunities to share the Gospel to women and students, and plan for future training in Bible storying!

Speaking at a women’s outreach hosted by my friend Kathy Kisoki

I shared at Medical and Science schools on “leadership” with a great response!

With National Director, Emmanuel, dreaming about reaching all of Mali

Mali, Africa is strategic because of the threat of radical Islam trying to exert more control. Now there is still a window for the Gospel. What a privilege to pray with four Muslim women to receive the love of Jesus. [Please pray](#) for future plans to be led by Him, and the seeds sown to reap a great harvest! Pray also for strength, protection and provision for all the staff and national believers.

KENYA, AFRICA

Thanksgiving was spent with Isaac and Tabitha Kanyingi’s family (National Director of Student Venture)! How special to make “Kenyan pumpkin pie!” Teaching at “Walk the Talk” conference from 2 Timothy was such a joy and privilege! We experienced a taste of revival when the call was given to totally surrender to God’s plan and purpose! Repentance, restoration and rejoicing characterized hearts made ready to serve Jesus! [Pray for their lives to bear much fruit](#) and for the continued growth of the Student Venture movement.

I joyfully connected with many Kenyan friends and disciples, including my son, George, now 23 and getting ready to graduate. He is being used mightily to help bring reconciliation to Kenya through a powerful initiative. Check out his website www.georgegachara.tk and [please pray for him and for his future!](#)

CHICAGO, IL – Village Bible Church Women’s Outreach

“The wonder of Christmas in a Woman’s World,” an outreach arranged by my dear friends Rainey and Ginger, was well-received by the Christian women and the seekers. [Pray especially for those who received Jesus that evening!](#)

ST. LOUIS, MO

Praise Jesus! My precious Dad, now in an assisted living facility, is growing weaker physically, but stronger spiritually!! He prayed with me to receive Jesus as His Savior, in response to the Lord’s Word, “[...if you confess with your mouth, ‘Jesus is Lord,’](#)

[and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved”](#) (Roman. 10:9-10). He wanted to be sure of His eternal destiny!!! We were all so excited that he could assure us that he is confident he is going to heaven!!! PTL! This was my New Year’s present from Jesus on December 30, 2009.

As I said goodbye to Dad to return to Orlando, I had so much peace, knowing he understands the hope of the Gospel, “[for which I have become a servant by the gift of God’s grace given me through the working of His power”](#) (Eph. 3:7). [Please pray for Dad to abide in Jesus, and be His witness!](#)

NEW ZEALAND— CALL 2 ALL “The Next Generation” January 16-26

I have the incredible privilege to represent StoryRunners at this historic conference! I will be speaking and training youth on STORY WAVE evangelism. My message is, “What God Can Do Through One.” Imagine through Bible stories what God has done through young people and what He can do through this next generation! Pray for me as I lead a time of challenging the NEXT GENERATION TO PRAY – GO – GIVE to “Finish the Task” of reaching the world for Christ!!! Mt. 28:18-20 [Please pray for His heart and Word to be powerfully spoken through me and everyone presenting!](#)

Thank you for partnering with me for this new season of expectancy! I’m so humbled and grateful for your prayers, friendship and generous giving. May He captivate your heart with His love.

Love and prayers in Jesus,

“His Royal Ambassador and Bride”

P.S. A new prayer card will come next month. You can use the last one as it is still correct.
