Dear Friends,

**“Double Portion ... NEXT LEVEL”** was the resounding cry of 50,000 Nigerians at a church where we were celebrating New Year’s Eve! I can’t begin to express my exhilaration at the passion and prayers of my dear brothers and sisters in Nigeria!

**Pamoja III** was a fitting conclusion to my month mission in Africa. Approximately 2,000 students came from 23 African

countries to be trained and sent to reach Africa! The Lord is raising up a courageous and passionate generation for His glory!

I was honored to be invited to teach the **StoryWave training**

to these young leaders (left) and to see them eager to use this strategy in evangelism, discipleship and missions! Truly the Lord Jesus has shown me His favor in launching **StoryWave in Africa and beyond**. Thank you for praying. I’m so excited to see it spread. *Please pray for follow-up and future trainings.*

**Come on my journey with me to celebrate and praise our Father for what He has done!**

**December 7**, I arrived in **Nairobi, Kenya**, greeted by my wonderful hosts, Fred, Dorothy and Abby (their precious daughter). What amazing hospitality and love I experienced through my dear friends and partners in ministry.

**December 10-15**, I arrived in **Mombasa, Kenya** for Student Venture Boot Camp with high school and college students. Here, I taught each day on being **Chosen with a Mission**, as well as training **StoryWave** evangelism! Oh, I also taught swimming each day in the ocean! When they discovered I trained dolphins, they wanted to learn to swim also!

**December 16-18, Miraculous “Masai Movement”**—I had the joy of joining Susan and George Mombaleo in their church planting efforts, as I preached at a new “Masai” (tribal) Church! They presented me with a “Masai” blanket (at right) with my name sewn in beads.

*“...You purchased men for God from every tribe and language and people and nation...” (Rev 5:9).*

My wonderful friends in St. Louis (from Jazzercise and church) sewed beautiful dresses to bless the Masai and young village girls! Let me know if you'd like to sew. Visit this website: [www.info@dressedinhope.org](http://www.info@dressedinhope.org) for patterns.

(left) As we continued to the village near Kisumu, I met precious Esther, who helps Susan oversee the goat project. “Faith,” “Hope” and “Love” are three female goats purchased by the children of **New Beginnings’ Fellowship**.

**December 19-24, Kampala, Uganda**

Returning to Uganda was a gift from Jesus! A team of gifted young leaders along with Joyce Kule, my dear friend, organized a **StoryWave training**. We shared the stories in town and saw people come to Christ!

I celebrated early **Christmas** with my spiritual children...**Joshua, Fred, Sarah, Sheeba and Shaneese!**

God is so good to give me the privilege of being a “spiritual” mother to many! On **Christmas Eve**, my dear son, **George**, picked me up at **Nairobi Airport**, and we shared a beautiful concert and dinner together.

**Christmas day** was spent with my Kenyan hosts, Student Venture director **Fred** (below), **Dorothy** and little **Abby Abok** and **Eda**. I also celebrated with **Tabitha Kanyingi** and family.

*The Lord Jesus blessed me beyond words this Christmas with ALL my treasured African friends!*

May the Lord Jesus pour His love and “**double portion**” upon you, my dear friend and partner. Thank you for your gifts to make my ministry possible and may you also reap the “**Next Level**” of His glory in 2013!

Praising and praying with you in His joy, *Nancy*
